

# Cincinnati/Northern Kentucky International Airport

## BHS Operation, Maintenance and Repair Services

### Program Summary

JSM Airport Services was awarded the Maintenance & Repair Contract for the Baggage Handling System at CVG. JSM understood the client's capital investment and long term sustainability needs and provided a custom site specific Preventive Maintenance Program that identifies the daily, weekly, monthly, quarterly, yearly service requirements to maintain the long term value of the BHS.

JSM provides 24 hours a day, 7 days a week operation, corrective and preventive maintenance services, and associated operational and maintenance reporting services for the BHS at CVG. JSM provides the services in accordance with industry standards, best commercial practices and ensures a safe, efficient, and practical operations and maintenance program.

### Program Highlights

- ✓ Ensuring the continuance of the manufacturer's warranty of the baggage handling system
- ✓ Providing the client with a customized, Computerized Maintenance Management System
- ✓ Daily, weekly, monthly scheduled services, from which the operators benefit from a clean, safe, and functional BHS
- ✓ Monthly safety and functionality checks on all systems
- ✓ Providing 24-hour 7-day a week experienced, reliable, factory and OSHA trained technicians
- ✓ Providing additional in-house services with our broad range of BHS specialists that CVG would otherwise have to solicit from outside suppliers at a much higher rate
